

U.S. Department of Transportation  
**Federal Highway  
Administration**

*NOTE: All work is scheduled, weather permitting, and is subject to change without notice.*

**Construction Update:**

**U.S. 550 to be reduced to one lane in each direction Thursday, Nov. 21, 2019**

Regular construction hours will be **Monday-Friday 7 a.m. - 5 p.m.**

**IMPORTANT NOTICE**

*The construction scheduled for today was postponed due to weather and unforeseen circumstances. Provided it does not rain Thursday morning, the following construction will be in place:*

U.S. 550 will be reduced to one lane in each direction (east and west) between NM 313 (Camino del Pueblo) and Santa Ana Road from 9 a.m. – 3 p.m. Thursday, Nov. 21 so crews can address safety concerns on the detour routes.

*If it does rain, this construction will be rescheduled for Friday, Nov. 23, 2019.*

**CONSTRUCTION SAFETY ALERT!**

**WE RECOGNIZE ROADWAYS ARE CONGESTED.**

**PLEASE BE PATIENT. DO NOT BLOCK INTERSECTIONS.**

**YOU WILL KEEP TRAFFIC FROM FLOWING IN ANY DIRECTION**

**AND IT'S DANGEROUS!**

Please use an alternate route if possible. **If you are traveling on U.S. 550 during this time, please give yourself extra time to reach your destination.**

***About the Project***

This is the first phase of a nearly two-year project to add lanes, improve traffic flow, enhance pedestrian and bicycle amenities, and upgrade drainage on U.S. 550 between NM 313 (Camino Del Pueblo) in Bernalillo and NM 528 Rio Rancho. The project will also create New Mexico's first continuous flow intersection.
