CONTINUING - Construction for Monday, Dec. 16-Sunday, Dec. 22, 2019

FNF Construction is working on the south side of U.S. 550 from NM 313 (Camino Del Pueblo) west toward the Rio Grande Bridge. The work zone is separated by concrete wall barrier. **PLEASE DO NOT DRIVE BEHIND THE CONCRETE BARRIER AND DO NOT BLOCK INTERSECTIONS.**

Traffic on U.S. 550 is shifted to the north side of the existing roadway. Two travel lanes in each direction are provided and there is **no center left turn lane.** Left turns will **only** be permitted at signalized intersections (NM 313, Camino Don Tomas and Sheriff's Posse Road.) **ACCESS IS PROVIDED TO BUSINESSES ON THE SOUTH SIDE OF U.S. 550 VIA SELECTED DRIVEWAYS.** One lane is open in each direction (north and south) on Camino Don Tomas.

SIGNAL TIMING ISSUES – The construction team was able to improve eastbound traffic flow on U.S. 550 as of Dec. 18 and is working on westbound traffic flow on U.S. 550 as well as north-south traffic flow on local routes. When there are accidents nearby or on U.S. 550, delays may be longer. We appreciate your patience as we continue to work on signal timing to maximize traffic flow, but there will continue to be delays.
