

Construction Update: Week of Jan. 6-12, 2020

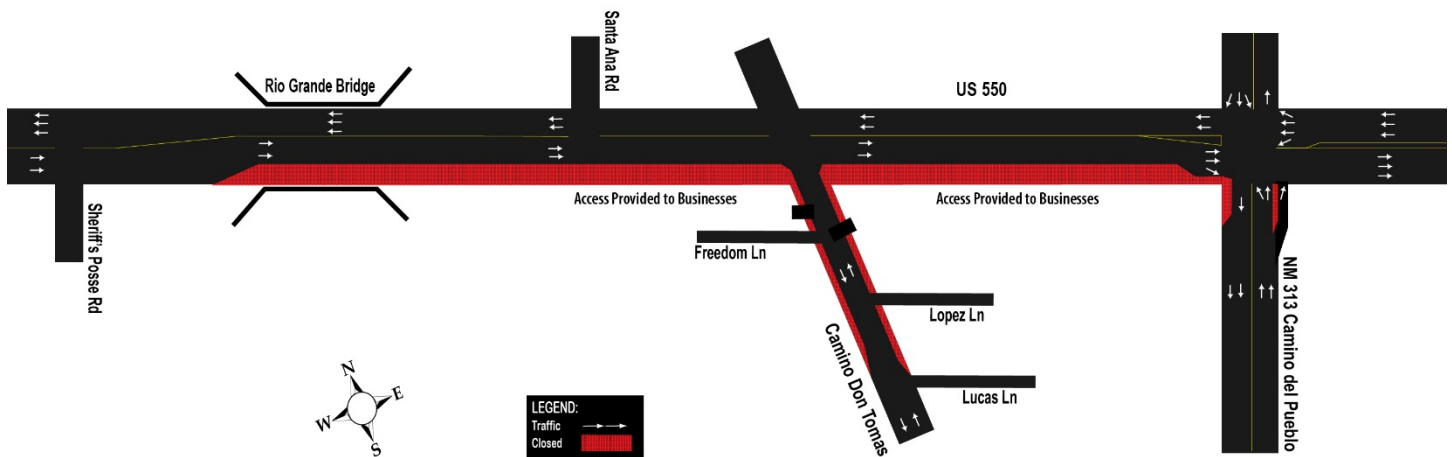

NOTE: All work is scheduled weather permitting, and is subject to change without notice.

REGULAR WORK HOURS: Crews will return to regular work hours of Monday-Friday 7 a.m.-5 p.m. beginning this week.

CONTINUING - Construction for Monday, Jan. 6-Friday, Jan. 11, 2020

FNF Construction is working on the south side of U.S. 550 from NM 313 (Camino Del Pueblo) west toward the Rio Grande Bridge. The work zone is separated by concrete wall barrier. **PLEASE DO NOT DRIVE BEHIND THE CONCRETE BARRIER AND DO NOT BLOCK INTERSECTIONS.**

Traffic on U.S. 550 is shifted to the north side of the existing roadway. Two travel lanes in each direction are provided and there is **no center left turn lane**. Left turns are **only** permitted at signalized intersections (NM 313, Camino Don Tomas and Sheriff's Posse Road.) **ACCESS IS PROVIDED TO BUSINESSES ON THE SOUTH SIDE OF U.S. 550 VIA SELECTED DRIVEWAYS.** One lane is open in each direction (north and south) on Camino Don Tomas.

SIGNAL TIMING ISSUES – The construction team is continuing to work on balancing east-west traffic on U.S. 550 with north-south traffic on Camino Don Tomas and NM 313 (Camino Del Pueblo). **Traffic traveling in either direction should routinely expect delays, particularly during morning and afternoon rush hours.** When there are accidents nearby or on U.S. 550, delays may be longer. We appreciate your patience as we continue to work on traffic signal timing to maximize traffic flow.

PLEASE DO NOT BLOCK INTERSECTIONS AND GIVE YOURSELF EXTRA TIME TO REACH YOUR DESTINATION.
