

NOTE: All work is scheduled weather permitting, and is subject to change without notice.

IMPORTANT:

**Update on Planned Work
On Camino Don Tomas
Scheduled June 1-10, 2020**

Due to unforeseen circumstances, crews will not be able to install the 60-inch storm drain pipe at Camino Don Tomas and U.S. 550 at this time.

However, the traffic impacts below are anticipated to remain in place through this weekend. Specifically:

Don Tomas is **NOT** closed. Instead, the following movements will be restricted from and to Camino Don Tomas at U.S. 550:

Traffic heading north on Camino Don Tomas south of U.S. 550:

- Can turn right and head east on U.S. 550
- Cannot turn left or cross U.S. 550

Traffic heading south on Camino Don Tomas north of U.S. 550:

- Can turn right and head west on U.S. 550
- Cannot turn left or cross U.S. 550

Traffic heading west on U.S. 550:

- Can turn right to head north on Camino Don Tomas
- Cannot turn left to head south on Camino Don Tomas

Traffic heading east on U.S. 550:

- Can turn right to head south on Camino Don Tomas
- Cannot turn left to head north on Camino Don Tomas

We will notify everyone of the new traffic impacts expected to begin this weekend as soon as possible.
