

Construction Update: Week of Sept. 28-Oct. 4, 2020

NOTE: All work is scheduled weather permitting, and is subject to change without notice.

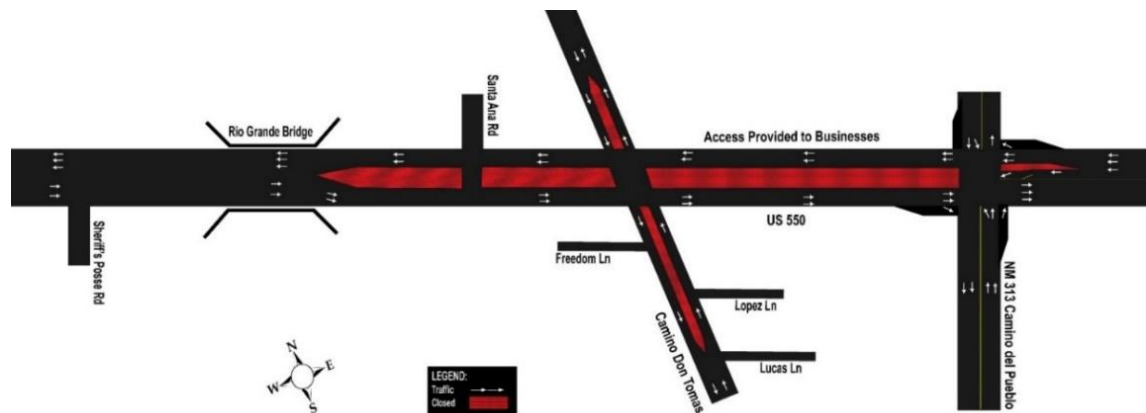

REGULAR WORK HOURS: Monday-Friday 7 a.m.-5 p.m. although crews may work longer hours or weekends if needed. **Crews are currently working evenings on storm drain pipe installation.**

CONTINUING: Camino Don Tomas is right-in and right-out only so crews can install a 60-inch storm drain pipe and new manholes. **No left turns in or out of Camino Don Tomas and no thru lanes will be open. This work is expected to be completed late this week or early next week.**

- **Traffic heading north on Camino Don Tomas south of U.S. 550 is ONLY be able to turn right and head east on U.S. 550.** Traffic is NOT be allowed to cross U.S. 550 or turn left.
- **Traffic heading south on Camino Don Tomas north of U.S. 550 is ONLY be able to turn right and head west on U.S. 550.** Traffic will NOT be allowed to cross U.S. 550 or turn left.
- **Traffic heading west on U.S. 550 is not be able make a left turn to access Camino Don Tomas to the south,** but can turn right to access Camino Don Tomas to head north.
- **Traffic heading east on U.S. 550 is not be able to turn left to access Camino Don Tomas to the north,** but can turn right and access Camino Don Tomas to head south.

CONTINUING:

Crews are working in the center median area of U.S. 550 between NM 313 (Camino del Pueblo) and the Rio Grande bridge to install manholes and storm drainage pipe, as well as mill out existing material and place curb and gutter in the median.

Two lanes of traffic are open in each direction on U.S. 550 (east and west). **Access is maintained to businesses on the north side of the roadway from selected driveways**

MOTORISTS ARE ENCOURAGED TO EXPECT DELAYS AND TO GIVE THEMSELVES EXTRA TIME TO REACH THEIR DESTINATIONS.
