

U.S. Department of Transportation  
**Federal Highway  
Administration**

## Construction Update: Week of Jan. 4-10, 2021

*NOTE: All work is scheduled weather permitting, and is subject to change without notice.*

**REGULAR WORK HOURS:** Monday-Friday 7 a.m.-5 p.m. although crews may work longer hours or weekends if needed. Crews will not be working Friday, Jan. 1 in observance of the New Year's holiday, but barricades will remain in place for safety.

**NEW:** As of Thursday, Dec. 31, 2020 the access to Twin Warrior Fuel II will be modified to allow right turns into and out of the property from and to U.S. 550. On Monday, Jan. 4, 2021, the entrance to Big R Stores will be closed for about two weeks to build detour paving. Access to Big R Stores will be from Twin Warrior Fuel II.

**CONTINUING:** The outside lanes of both eastbound and westbound U.S. 550 are closed from NM 313 (Camino del Pueblo) to the Rio Grande Bridge so that crews can make repairs to drive pads, curb and gutter and sidewalk. **Two lanes of traffic are open in each direction (eastbound and westbound).** Crews are laying a large storm drainage pipe in the center of U.S. 550 from the Rio Grande Bridge heading west. The traffic signal at Sheriff's Posse Road has been removed, and there are NO left turns from U.S. 550 to Sheriff's Posse Road. Motorists can utilize the traffic signal at Bosque Brewing or Jemez Canyon Dam Road for U-turns. *NOTE: Crews are working on a plan for a detour to restore left-turn access to Sheriff's Posse Road, which is tentatively scheduled for mid-January.*

**MOTORISTS ARE ENCOURAGED TO EXPECT DELAYS AND TO GIVE THEMSELVES EXTRA TIME TO REACH THEIR DESTINATIONS.**
