 Administration**

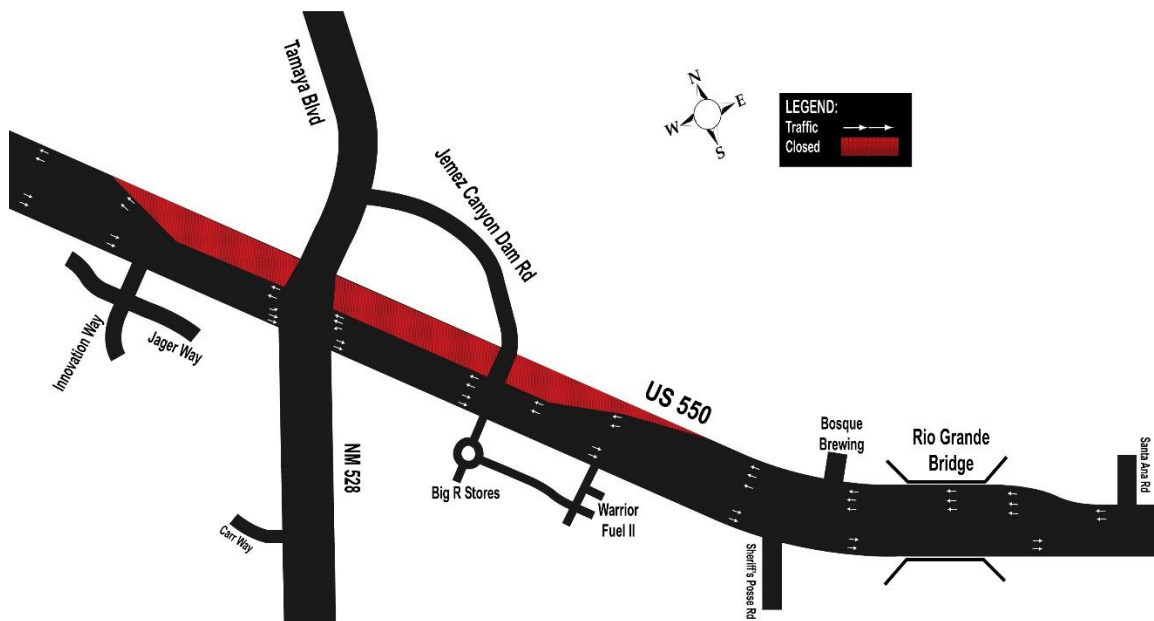

Construction Update: Westbound U.S. 550 Traffic to Shift to South Tuesday, May 4, 2021

NOTE: All work is scheduled weather permitting, and is subject to change without notice.

REGULAR WORK HOURS: Monday-Friday 7 a.m.-5 p.m., although crews may work longer hours or weekends if needed.

On Tuesday, May 4, 2021, westbound traffic on U.S. 550 will shift to the south from east of Jemez Canyon Dam Rd to west of Tamaya Blvd as work continues on the project.

Westbound motorists will still be able to turn right on Jemez Canyon Dam Rd, but there are **no** U-turns and **no** left turns at this intersection. Motorists can access the U-turn at Bosque Brewing. The left turn at Sheriff's Posse Rd is open, but crews may occasionally have to block access to this turn for work at the intersection. We anticipate installing the traffic signal at this intersection sometime in mid-May. **Motorists turning left on Sheriff's Posse Rd should yield to oncoming eastbound traffic on U.S. 550.**

NOTE: For the most part, there are two lanes open in each direction on U.S. 550 (east and west) to about Warrior Fuel II and three lanes open on westbound U.S. 550 from the Rio Grande Bridge to past Bosque Brewing; however, there may be occasional lane closures for curb and sidewalk installation and miscellaneous construction activities during non-peak hours.

MOTORISTS ARE ENCOURAGED TO EXPECT DELAYS AND TO GIVE THEMSELVES EXTRA TIME TO REACH THEIR DESTINATIONS.
